

Model VM321

Safe & Sound™

Full Color Video and Audio Baby Monitor

Full Motion Video

With up to 22 frames per second, you can see your child's every move on clear, dynamic video.

Split Screen Viewing

System supports up to four total cameras to be viewed from one parent unit. Viewing modes include single view, dual view, and quad view split screen to view 4 rooms at the same time.

Talk-Back Intercom

Sometimes all your baby needs is to hear the sound of your voice. Comfort your infant from any room with the built-in intercom on the portable parent unit.
